## INTRODUCTION

At [enterprisepush.com](https://www.enterprisepush.com), accessible from <https://www.enterprisepush.com>, one of our main priorities is the privacy of our visitors. This Privacy Policy document contains types of information that is collected and recorded by [enterprisepush.com](https://www.enterprisepush.com) and how we use it.

If you have additional questions or require more information about our Privacy Policy, do not hesitate to contact us.

This Privacy Policy applies only to our online activities and is valid for visitors to our website with regards to the information that they shared and/or collect in [enterprisepush.com](https://www.enterprisepush.com). This policy is not applicable to any information collected offline or via channels other than this website. Our Privacy Policy was created with the help of [www.privacypolicygenerator.info](http://www.privacypolicygenerator.info). Privacy Policy for EnterprisePush.

## CONSENT

By using our website, you hereby consent to our Privacy Policy and agree to its terms. For our Terms and Conditions, please visit our website.

## INFORMATION WE COLLECT

The information that we collect about you via the website can be divided into several different groups:

- Requests for contact  
Your phone number, email address or any other information you enter on the website in order to let us contact you.
- IP addresses and geographical information  
Your IP-address and the country that belongs to this IP-address according to our API partners.
- Login information  
The information you enter while creating an account and the email address and corporate email address you enter in the 'login information' section in the Customer-info tile or the create-customer-tile.
- Company information (as known at your national tax agency)
- The information you enter in the related section in the Customer-info tile or the create-customer -tile.
- Contact information
- The information you enter in the related section in the Customer-info tile or the create-customer -tile.
- Invoice information
- The information you enter in the related section in the Customer-info tile or the create-customer -tile.
- Company information (as we may describe you on the list of recognized experts)
- The information you enter in the related section in the Customer-info tile or the create-customer -tile.
- Information entered in the licenses-tile or the test-cockpit.  
The information entered in the mentioned tiles.

If you contact us directly, we may receive additional information about you such as your name, email address, phone number, the contents of the message and/or attachments you may send us, and any other information you may choose to provide.

## HOW AND WHY WE USE YOUR INFORMATION

- Requests for contact  
From our server, an email will be generated to a task-box within our own domains. We will use this information to contact you and/or to send commercial advertising about our products.
- IP addresses and geographical information  
We might reject customers from certain countries since our liability insurance does not cover these countries. We also might reject customers from certain countries to avoid legal conflicts with third parties or governments. We use your IP-address to validate your country of origin by sending it to an API of a third party.
- Login information  
We use your login information to provide you your access to the portal. We may have to contact you by phone or via any of the e-mail addresses to validate your access. Validating your access can be done based on a manual action, or can be done based on an action initiated by you or any other user of the portal.
- Company information (as known at your national tax agency)  
This information is user for financial or legal reasons. For example, you will find your company information on the invoice.
- Contact information  
This information can be used to contact you in order to provide our services as best as possible and with good faith.
- Invoice information  
This information is used to address the invoice or any legal or finance related action.
- Company information (as we may describe you on the list of recognized experts)  
This information is optional and may be published on our website in the list of partners.
- Information entered in the licenses-tile

First of all, is this information is used to provide the application a product-license-validation. Second of all, is this information used to provide you a correct invoice.

Information entered in the test-cockpit.

This information is used to improve your user experience by keeping the data saved and reloadable for you.

## IN WHAT OTHER WAY CAN YOUR INFORMATION BE USED

We also use the information we collect in various ways, including to:

- Provide, operate, and maintain our website.
- Improve, personalize, and expand our website.
- Understand and analyse how you use our website.
- Develop new products, services, features, and functionality.
- Communicate with you, either directly or through one of our partners, including for customer service, to provide you with updates and other information relating to the website, and for marketing and promotional purposes.
- Send you emails or contact you by phone.
- Find and prevent fraud.

## HOW YOUR INFORMATION IS STORED

Your information will be stored on the server and on backups, in our email box. We do not guarantee these servers, backups and mail-boxes are hosted in the Netherlands or on any other specific location or area.

Passwords will be stored encrypted and we will count failed login attempts per user.

## COOKIES

Like any other website, [enterprisepush.com](http://enterprisepush.com) uses 'cookies'. These cookies are used to store information including visitors' preferences, and the pages on the website that the visitor accessed or visited. The information is used to optimize the users' experience by customizing our web page content based on visitors' browser type and/or other information.

You can choose to disable cookies through your individual browser options. To know more detailed information about cookie management with specific web browsers, it can be found at the browsers' respective websites.

## THIRD PARTY API'S

We use your IP-address to query information via an API.

[enterprisepush.com](http://enterprisepush.com)'s Privacy Policy does not apply to other websites. Thus, we are advising you to consult the respective Privacy Policies of these third-party servers for more detailed information. It may include their practices and instructions about how to opt-out of certain options.

On your request we can provide you a list of API's being accessed for this purpose. You may consult this list to find the Privacy Policy for each of these API providers.

## CCPA PRIVACY RIGHTS (DO NOT SELL MY PERSONAL INFORMATION)

Under the CCPA, among other rights, California consumers have the right to:

Request that a business that collects a consumer's personal data disclose the categories and specific pieces of personal data that a business has collected about consumers.

Request that a business delete any personal data about the consumer that a business has collected.

Request that a business that sells a consumer's personal data, not sell the consumer's personal data.

If you make a request, we have one month to respond to you. If you would like to exercise any of these rights, please contact us.

## GDPR DATA PROTECTION RIGHTS

We would like to make sure you are fully aware of all of your data protection rights. Every user is entitled to the following:

The right to access – You have the right to request copies of your personal data. We may charge you a small fee for this service.

The right to rectification – You have the right to request that we correct any information you believe is inaccurate. You also have the right to request that we complete the information you believe is incomplete.

The right to erasure – You have the right to request that we erase your personal data, under certain conditions.

The right to restrict processing – You have the right to request that we restrict the processing of your personal data, under certain conditions.

The right to object to processing – You have the right to object to our processing of your personal data, under certain conditions.

The right to data portability – You have the right to request that we transfer the data that we have collected to another organization, or directly to you, under certain conditions.

If you make a request, we have one month to respond to you. If you would like to exercise any of these rights, please contact us.

## CHILDREN'S INFORMATION

Our website and services are not intended for children under 13 years of age, and no one under age 13 may provide any personal information to us or through the website or our services.

enterprisepush.com does not knowingly collect any Personal Identifiable Information from children under the age of 13. If you think that your child provided this kind of information on our website, we strongly encourage you to contact us immediately and we will do our best efforts to promptly remove such information from our records.
